

INDOOR GAMES: MUSICAL ICE STATUES

YOU WILL NEED:

- Something to play and pause music
- 1 person to DJ
- 2 or more people to play
- A small prize for the winner

HOW TO PLAY:

1. When the music is playing, everyone should dance and show off their best moves.
2. At random, the DJ should stop the music. When the music stops, everyone needs to freeze!
3. If you don't stop as soon as the music does, then you have to do 20 star jumps to warm yourself back up and melt the ice!
4. The player who does the best wins the prize!
