

# INDOOR GAMES: HERD AND SEEK

## YOU WILL NEED:

- Two people to play
- 10 toys
- 2 towels

## HOW TO PLAY:

1. Share the toys between the two players, each of you should have 5. These toys will be your herd of sheep!
2. The towels will be your home base. Both of you should set your sheep out on your own towel.
3. One of you should cover your eyes, while the other person takes your toys and hides them somewhere in the house (or garden!). Then the other person covers their eyes, while you go and hide their toys.
4. Once all the toys are hidden, you both need to go and round up your herd of sheep! The first person to get all their toys back on their home base wins the game!
