## BG & YOU

Welcome to the third edition of BG & You, your guide to what's happening at Bishop Grosseteste University College Lincoln.

There's always so much going on at BG which you might just want to be a part of.

Our annual Family Fun Day takes place on the 5th May this year and will be a major part of our One Big Reunion celebration, commemorating 150 years of BG. So whether you enter a team in the football tournament, walk the tightrope in the circus skills workshop, or take in a guest lecture, you're sure to enjoy this great event!

Slightly later in the year, look out for the Lincoln Mystery Plays - the first performance taking place on our very own campus in the open air (weather permitting - don't forget your picnic!).

Hopefully you'll find this guide useful and informative.

Don't forget to keep an eye out for the next edition in September 2012!

It's our 150th birthday!

Our 150th anniversary celebrations are still under way - join us to celebrate or just enjoy yourself at our annual BG Family Fun Day! (See page 6 for details.)

To mark the contribution BG has made to the teaching profession we are creating a map to show as many schools as possible who have benefitted from BG trained teachers. To complete the map, we need your help - just let us know the names, and if possible the street address of the schools where you have taught since leaving BG and we'll create a pin on our interactive map! Please send details to: [alumni@bishopg.ac.uk](mailto:alumni@bishopg.ac.uk)

Our Family Fun Day takes place on Saturday 5<sup>th</sup> May at various venues across the BG campus

### Lecture Series - Professor Muriel Robinson

In this new public lecture series, a series of significant speakers from a range of sectors will explore the question 'What constitutes a good life and how do you live it?' To open the series, the Principal at Bishop Grosseteste University College explores the specific role played by BG over its 150 years in working for the public good.

Raising questions of ethics, justice and the role of education in promoting a fairer society, the series will provoke discussion and debate both about the bigger philosophical issues here and about the practical realities of life in 21st century Lincoln.

To attend this free lecture, please contact Jessica Lyons on 01522 583681 or [jessica.lyons@bishoptg.ac.uk](mailto:jessica.lyons@bishoptg.ac.uk)

### The University College Concert

We couldn't have a birthday year without music. Past students and staff all know what a valuable part music plays in the life of the University College. This year's summer concert will be a little different, as it will be the first chance to bring our new community music initiative into the programme alongside the usual high quality offering from our Choir. The concert starts at 7.30pm and will showcase musicians from BG who perform instrumental and choral music. It will also display BG's involvement with the Charity Community Choir who will present a short programme of Popular Classic material; whilst BG-sponsored LCC choir "Vocal Authority" will be singing show choir arrangements of pop ballads and hits from the 1960's right up to the 2010's.

If you would like to book tickets for this event, please contact Jessica Lyons on 01522 583681 or [jessica.lyons@bishopg.ac.uk](mailto:jessica.lyons@bishopg.ac.uk)

## LIBRARY EXTENSION AND REFURBISHMENT NEARING COMPLETION

In February 2011, the Sibthorp Library at Bishop Grosseteste University College Lincoln celebrated its 125<sup>th</sup> birthday. To prepare the library for another century of use, a £2.5m extension and refurbishment project began in August 2011 with a view to creating a state-of-the-art resource at the heart of the BG campus.

The design for the library building project proposes a space which will be inviting, accessible, comfortable, flexible and future-proof. The designs include a large flexible study room for group work, several seminar rooms, a silent study space incorporating four individual silent study booths, a 24 hour access IT Suite, and lots of study spaces in and around the book shelves. It is the intention to also include a purpose-built facility for BG's extensive Children's Collection of children's books and classroom resources, in the style of a school library, and a specific room in which to house a comprehensive Lincolnshire Collection of local history books.
