## BG & YOU

Welcome to the brand new, very first edition of BG & You, your brand new guide to what's happening at Bishop Grosseteste University College Lincoln.

There's always so much going on at BG which you might just want to be a part of.

So we've put together this guide to help highlight events you may like to attend here at BG, along with letting you know about all our new developments and changes on campus.

We also wanted to give you a little information about what we do and what we're planning, to help you get to know us a little better.

Hopefully you'll find this guide useful and informative, and that there will be something in here you'd like to come to and be a part of.

And don't forget to keep an eye out for the next edition in January 2012.

# September 2011

## Advent Service at Lincoln Cathedral

We would like to extend an invitation to you to join us at our annual Advent Carol Service in Lincoln Cathedral.

As a University College which continues to express and explore its Church foundation, this service gives us an opportunity to mark the beginning of the Church's season of Advent with readings, prayer and song. This event is a highlight of the BG year which allows friends and past students of the University College to join with those of us who still study and work here. As in past years, a significant number of our own students will be contributing to the service in a variety of ways as we interweave traditional bible texts with modern literature, and music with drama, in the presentation of this year's Advent theme. 3pm start.

*Entry is free of charge and tickets are not required - if you would like further information please contact Jessica Lyons at [jessica.lyons@bishopg.ac.uk](mailto:jessica.lyons@bishopg.ac.uk) or telephone 01522 583681*

# Our Library

In February 2011, the Sibthorp Library at Bishop Grosseteste University College Lincoln celebrated its 125 birthday. To prepare the library for another century of use, a £2.5m extension and refurbishment project began in August 2011 with a view to creating a state-of-the-art resource at the heart of the BG campus.

The design for the library building project proposes a space which will be inviting, accessible, comfortable, flexible and future-proof. The designs include a large flexible study room for group work, several seminar rooms, a silent study space incorporating four individual silent study booths, a 24 hour access IT Suite, and lots of study spaces in and around the book shelves. It is the intention to also include a purpose-built facility for BG's extensive Children's Collection of children's books and classroom resources, in the style of a school library, and a specific room in which to house a comprehensive Lincolnshire Collection of local history books.

## LIBRARY EXTENSION AND REFURBISHMENT UNDER WAY

“OUR PLANS FOR THE LIBRARY MAKE A BOLD STATEMENT OF OUR COMMITMENT TO OUR STUDENTS. IT HAS THE POTENTIAL TO OFFER STATE OF THE ART FACILITIES IN WHAT WE HOPE WILL BE A BUILDING FILLED WITH CHARACTER, COMFORT, AND FLEXIBILITY. ULTIMATELY, WE ENVISAGE A BUILDING THAT WILL BE REMEMBERED, ADMIRED AND WILL STAND AS A FITTING TRIBUTE TO ALL OF THE PEOPLE WHO HAVE HELPED KEEP THE UNIVERSITY COLLEGE ALIVE FOR SO LONG, INCLUDING ITS OVER 17,000 GRADUATES.”
